SCHEDULE 6

TAX DECLARATIONS / CONFIRMATIONS

INDIVIDUAL SELF-CERTIFICATION FORM – FATCA & CRS

Instructions for completion

Singapore has issued regulations and guidance applicable to the Fund in relation to the US Foreign Account Tax Compliance Act (**US FATCA**) and the OECD's Common Reporting Standard (**CRS**), which is driven by treaties or intergovernmental agreements entered into by Singapore in relation to the automatic exchange of financial information for tax matters (collectively **AEOI**). Under AEOI, the Fund Entities (as applicable) are required to collect certain information about the tax residence of each account holder.

If the account holder's tax residence is located outside Singapore, we may be legally obliged to pass on the information in this form and other financial information with respect to your financial accounts to the local tax authority, and they may exchange this information with tax authorities of another jurisdiction or jurisdictions pursuant to intergovernmental agreements to exchange financial account information.

Please complete the sections below as directed and provide any additional information that is requested. Terms referenced in this section titled "Individual Self-Certification Form – FATCA & CRS" of this Schedule 6 shall have the same meaning as applicable under the relevant regulations, guidance or international agreements. You can find definitions of who is classified as an account holder, and other terms, in Exhibit A at the end of this section titled "Individual Self-Certification Form – FATCA & CRS" of this Schedule 6.

This form will remain valid unless there is a change in circumstances relating to information – such as the account holder's tax status or other mandatory field information – that makes this form incorrect or incomplete. In that case you must notify the Fund and the Manager and provide an updated self-certification.

- *Please complete this form if you are an individual account holder, sole trader or sole proprietor.*
- *Where you need to certify on behalf of an entity account holder, do not complete this form. Instead please complete the section titled "Entity Self-Certification Form – FATCA & CRS" below.*
- *For joint or multiple account holders, use a separate form for each individual person below.*
- *If you are filling in this form on behalf of someone else.*
 - *Please tell us in what capacity you are signing in section 4 below. For example, you may be the custodian or nominee of an account on behalf of the account holder, or you may be completing the form under a power of attorney.*
 - *A legal guardian should complete the form on behalf of an account holder who is a minor.*

As a Financial Institution, the Fund is not allowed to give tax advice.

Your tax adviser may be able to assist you in answering specific questions on this form. Your domestic tax authority can provide guidance regarding how to determine your tax status. Each jurisdiction has its own rules for defining tax residence, and some jurisdictions have provided information on how to determine if you are resident in the jurisdiction on the following website:

<http://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/>

In general, you will find that tax residence is the country/jurisdiction in which you live. Special circumstances may cause you to be resident elsewhere or resident in more than one country/jurisdiction at the same time (dual residency). If you are a U.S. citizen or tax resident under U.S. law, you should indicate as such on this form.

You can also find out more about CRS, including a list of jurisdictions that have signed agreements to automatically exchange information, along with details about the information being requested, on the OECD automatic exchange of information portal at <http://www.oecd.org/tax/automatic-exchange/>

Similarly, further information on the US's FATCA initiative is available at:

EXHIBIT A

CRS DEFINITIONS

Account Holder means the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. A person, other than a Financial Institution, holding a Financial Account for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, or intermediary, is not treated as holding the account for purposes of the Common Reporting Standard, and such other person is treated as holding the account.

Entity means a legal person or a legal arrangement, such as a corporation, organisation, partnership, trust or foundation.

Financial Account is an account maintained by a Financial Institution (such as a bank, custodian or investment fund) and includes: Depository Accounts; Custodial Accounts; equity and debt interests in certain Investment Entities; Cash Value Insurance Contracts; and Annuity Contracts.

For example, in the context of a private equity investment fund, an investor's debt or equity interest in a Fund or co-investment vehicle may be considered to be a Financial Account, whether the Fund entity to which the investor has committed is structured as a partnership, corporate or other vehicle.

Participating Jurisdiction means a jurisdiction (i) with which an agreement is in place pursuant to which it will provide the information specified in Section I (of the CRS), and (ii) which is identified in a published list.

Reportable Account means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person.

Reportable Jurisdiction means a jurisdiction with which an obligation to provide financial account information is in place and that is identified in a published list.

Reportable Person means an individual who is tax resident in a Reportable Jurisdiction under the tax laws of that jurisdiction. Dual resident individuals may rely on the tiebreaker rules contained in tax conventions (if applicable) to solve cases of double residence for purposes of determining their residence for tax purposes.

Tax Reference Number or Taxpayer Identification Number (TIN): This is required where your jurisdiction of residence has issued you with a taxpayer identification number, or functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. General guidance and further details of acceptable TINs for a number of countries is provided at: <http://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-identification-numbers/>. Some jurisdictions do not issue a TIN. However, these jurisdictions often utilise some other high integrity number with an equivalent level of identification (a "functional equivalent"). Examples of that type of number include, for individuals, a social security/insurance number, citizen/personal identification/service code/number, and resident registration number.

The term 'Controlling Persons' shall be interpreted in a manner consistent with the Financial Action Task Force Recommendations ("**FATF**").

FATF Recommendations on Controlling Persons:

Identify the beneficial owners of the customer and take reasonable measures to verify the identity of such persons, through the following information. For legal persons¹²:

- (a) the identity of the natural persons (if any – as ownership interests can be so diversified that there are no natural persons (whether acting alone or together) exercising control of the legal person or arrangement through ownership) who ultimately have a controlling ownership interest¹³ in a legal person; and

Exempt Beneficial Owners under the U.S. IGA include Government entities, International

¹² Measures (a) and (b) are not alternative options, but are cascading measures, with each to be used where the previous measure has been applied and has not identified a beneficial owner.

¹³ A controlling ownership interest depends on the ownership structure of the company. It may be based on a threshold, e.g. any person owning more than a certain percentage of the company (e.g. 25%).

Organisations, Central Bank, Broad Participation Retirement Funds, Narrow Participation Retirement Funds, Pension Funds of an Exempt Beneficial Owner, and Investment Entities wholly owned by Exempt Beneficial Owners. Please refer to the IGA for detailed definitions.

- (c) any Cash Value Insurance Contract and any Annuity Contract issued or maintained by a Financial Institution, other than a noninvestment-linked, nontransferable immediate life annuity that is issued to an individual and monetizes a pension or disability benefit provided under an account that is excluded from the definition of Financial Account in Annex II of the IGA.

Notwithstanding the foregoing, the term “Financial Account” does not include any account that is excluded from the definition of Financial Account in Annex II of the IGA. For purposes of the IGA, interests are “regularly traded” if there is a meaningful volume of trading with respect to the interests on an ongoing basis, and an “established securities market” means an exchange that is officially recognized and supervised by a governmental authority in which the market is located and that has a meaningful annual value of shares traded on the exchange. For purposes of this definition of “Financial Account”, an interest in a Financial Institution is not “regularly traded” and shall be treated as a Financial Account if the holder of the interest (other than a Financial Institution acting as an intermediary) is registered on the books of such Financial Institution. The preceding sentence will not apply to interests first registered on the books of such Financial Institution prior to 1 July 2014, and with respect to interests first registered on the books of such Financial Institution on or after 1 July 2014, a Financial Institution is not required to apply the preceding sentence prior to 1 January 2016.

EXHIBIT B**CRS Definitions**

Account Holder means the person listed or identified as the holder of a Financial Account by the Financial Institution that maintains the account. This is regardless of whether such person is a flow-through Entity. Thus, for example, if a trust or an estate is listed as the holder or owner of a financial account, the trust or estate is the Account Holder, rather than the trustee or the trust's owners or beneficiaries. Similarly, if a partnership is listed as the holder or owner of a financial account, the partnership is the Account Holder, rather than the partners in the partnership.

A person, other than a Financial Institution, holding a financial account for the benefit or account of another person as agent, custodian, nominee, signatory, investment advisor, intermediary, or legal guardian, is not treated as the Account Holder. In these circumstances that other person is the Account Holder.

In the case of a Cash Value Insurance Contract or an Annuity Contract, the Account Holder is any person entitled to access the Cash Value or change the beneficiary of the contract. If no person can access the Cash Value or change the beneficiary, the Account Holder is any person named as the owner in the contract and any person with a vested entitlement to payment under the terms of the contract. Upon the maturity of a Cash Value Insurance Contract or an Annuity Contract, each person entitled to receive a payment under the contract is treated as an Account Holder.

With respect to a jointly held account, each joint holder is treated as an Account Holder.

Active Non-Financial Entity means any NFE that meets any of the following criteria:

- (a) less than 50% of the NFE's gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50% of the assets held by the NFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;
- (b) the stock of the NFE is regularly traded on an established securities market or the NFE is a Related Entity of an Entity the stock of which is regularly traded on an established securities market;
- (c) the NFE is a Governmental Entity, an International Organisation, a Central Bank, or an Entity wholly owned by one or more of the foregoing;
- (d) substantially all of the activities of the NFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an Entity does not qualify for this status if the Entity functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
- (e) the NFE is not yet operating a business and has no prior operating history, but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFE does not qualify for this exception after the date that is 24 months after the date of the initial organisation of the NFE;
- (f) the NFE was not a Financial Institution in the past five (5) years, and is in the process of liquidating its assets or is reorganising with the intent to continue or recommence operations in a business other than that of a Financial Institution;
- (g) the NFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution; or

- (h) the NFE meets all of the following requirements:
- (i) it is established and operated in its jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; or it is established and operated in its jurisdiction of residence and it is a professional organisation, business league, chamber of commerce, labour organisation, agricultural or horticultural organisation, civic league or an organisation operated exclusively for the promotion of social welfare;
 - (ii) it is exempt from income tax in its jurisdiction of residence;
 - (iii) it has no shareholders or members who have a proprietary or beneficial interest in its income or assets;
 - (iv) the applicable laws of the NFE's jurisdiction of residence or the NFE's formation documents do not permit any income or assets of the NFE to be distributed to, or applied for the benefit of, a private person or non-charitable Entity other than pursuant to the conduct of the NFE's charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the NFE has purchased; and
 - (v) the applicable laws of the NFE's jurisdiction of residence or the NFE's formation documents require that, upon the NFE's liquidation or dissolution, all of its assets be distributed to a Governmental Entity or other non-profit organisation, or escheat to the government of the NFE's jurisdiction of residence or any political subdivision thereof.

Control over an Entity is generally exercised by the natural person(s) who ultimately has a controlling ownership interest (typically on the basis of a certain percentage (e.g. 25%)) in the Entity. Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the Entity will be the natural person(s) who exercises control of the Entity through other means. Where no natural person or persons are identified as exercising control of the Entity through ownership interests, the Controlling Person of the Entity is deemed to be the natural person who holds the position of senior managing official or exercises ultimate control over the management of the Entity.

Controlling Person means the natural persons who exercise direct or indirect control over an entity.

In the case of a trust, such term means the settlor(s), the trustees(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, and any other natural person(s) exercising ultimate effective control over the trust, and in the case of a legal arrangement other than a trust, such term means persons in equivalent or similar positions. The term 'Controlling Persons' shall be interpreted in a manner consistent with the Financial Action Task Force Recommendations ("**FATF**").

FATF Recommendations on Controlling Persons:

Identify the beneficial owners of the customer and take reasonable measures to verify the identity of such persons, through the following information. For legal persons¹⁴:

- (a) the identity of the natural persons (if any – as ownership interests can be so diversified that there are no natural persons (whether acting alone or together) exercising control of the legal person or arrangement through ownership) who ultimately have a controlling ownership interest in a legal person; and
- (b) to the extent that there is doubt under (a) as to whether the person(s) with the controlling ownership interest are the beneficial owner(s) or where no natural person exerts control through ownership interests, the identity of the natural persons (if any) exercising control of the legal person or arrangement through other means.

¹⁴ Measures (a) to (b) are not alternative options, but are cascading measures, with each to be used where the previous measure has been applied and has not identified a beneficial owner.

Where no natural person is identified under (a) or (b) above, financial institutions should identify and take reasonable measures to verify the identity of the relevant natural person who holds the position of senior managing official.

- (q) the Transferee understands that its investment in the Sub-Fund involves important and complex tax implications, which are subject to change from time to time. These include, among other things, tax implications in the jurisdictions in which the Sub-Fund makes investments and tax implications in the jurisdiction in which the Transferee is a resident or otherwise subject to taxation. The tax implications of the Transferee and/or other investors acquiring, holding or disposing Participating Shares or shares of the Fund or other sub-funds of the Fund could also affect the economic returns to the Transferee from its investment in the Sub-Fund. The Transferee has consulted with and has relied solely upon its own tax advisers with respect to the tax implications of its investment in the Sub-Fund;

12. The Fund Entities and Personnel are not liable for the fraudulent use by a third party of the signature(s) of the Transferor and/or the Transferee, whether this signature be authentic or forged (**Fraudulent Instruction**). Except in the event of gross negligence on the part of the Fund Entities and Personnel in the verification of the signatures and signatory powers on the documentation provided by the Transferor and/or the Transferee, none of the Fund Entities and Personnel shall be liable for any damage, loss, expense or liability of any nature which the Transferor or the Transferee may suffer due to reliance by the Fund Entities and Personnel on a Fraudulent Instruction which the relevant Fund Entities and Personnel believes in good faith to be genuine and to have been given or signed by the Transferor or the Transferee (as the case may be).
13. Each party hereto shall bear its own legal and other professional costs and expenses incurred in connection with the review, execution and implementation of this Transfer Form.
14. Upon receipt of a written request from the Manager or the Board, each of the Transferor and the Transferee agrees to provide such information and documents and to execute and deliver such documents as the Manager or the Board may deem reasonably necessary to comply with any and all Applicable Law to which the Sub-Fund is or may be subject, within the time frame stipulated by the Manager or the Board in its written request.
15. Any demand, consent, notice or other communication (**notice**) authorised or required to be made hereunder shall be in writing in the English language and may be given by hand, by post, or by e-mail transmission, to the address or e-mail address (as applicable) set out herein or such address or other particulars as the recipient may designate by notice given in accordance with the provisions of this Paragraph and the Constitution. Where a notice is sent by personal delivery, service of the notice is treated as effected at the time when delivered. Where a notice is sent by post, service of the notice is treated as effected on the date of its posting provided that such notice by post was enclosed in an envelope that is properly addressed, prepaid and posted to the recipient. Where a notice is sent by e-mail transmission, service of the notice is treated as effected properly by sending or supplying it to an e-mail address provided by the recipient generally or specifically for that purpose. The Transferee hereby agrees that any notice to it may be given by e-mail transmission at the e-mail address set forth in Schedule 1 of this Transfer Form.
16. Neither this Transfer Form nor any provision hereof may be waived, modified or amended except by an instrument in writing signed by the party against whom any waiver, modification or amendment is sought.
17. If any one or more of the covenants, agreements, provisions or terms of this Transfer Form shall be held invalid or unenforceable under any Applicable Law, then such covenants, agreements, provisions or terms shall be deemed severable from the remaining covenants, agreements, provisions and terms of this Transfer Form and inoperative to the extent of such invalidity or unenforceability, and such invalid or unenforceable provisions shall be deemed modified to conform with such Applicable Law and shall in no way affect the validity or enforceability of the other provisions of this Transfer Form or the other rights or obligations of the parties hereunder.
18. This Transfer Form (including non-contractual disputes or claims arising from or in connection with this Transfer Form) shall be governed by and construed in accordance with the laws of Singapore. Any dispute arising out of or in connection with this Transfer Form, including any

question regarding its existence, validity or termination, shall be referred to and finally resolved by arbitration administered by the Singapore International Arbitration Centre (**SIAC**) in accordance with the Arbitration Rules of the SIAC (**SIAC Rules**) for the time being in force, which rules are deemed to be incorporated by reference herein. The place and seat of the arbitration shall be Singapore. The tribunal shall consist of one (1) arbitrator, such arbitrator to be appointed by mutual agreement between the parties in dispute, or in the event that no mutual agreement is reached, then in accordance with the SIAC Rules. The language to be used in the arbitral proceedings shall be English. The decision of the arbitrator shall be final and binding on the relevant parties to the arbitration. The costs and expenses of the arbitration, including the fees of the arbitration and the arbitrator, shall be borne equally by each party to the arbitration and each party to the arbitration shall pay its own fees, disbursements and other charges of its counsel, except as may be determined by the tribunal.

19. For the purposes of this Transfer Form, unless the context otherwise requires, **Business Day** shall mean a day (other than a Saturday, a Sunday or a gazetted public holiday) on which banks in Singapore are generally open for the transaction of normal banking business in Singapore or any other day as the Manager may from time to time determine with the approval of the Board.
20. Save as expressly provided, a person who is not a party to this Transfer Form shall not have any rights under the Contracts (Rights of Third Parties) Act 2001 of Singapore, to enforce any term or to enjoy any benefit of this Transfer Form. For the avoidance of doubt, all Fund Entities and Personnel are permitted to rely upon the terms of and to enjoy any benefit arising under this Transfer Form insofar as it purports to benefit them.

PART 4: LIMITATION OF LIABILITY

21. Notwithstanding any contrary provision in this Transfer Form, it is hereby agreed and acknowledged that the Directors have assumed all obligations under the Fund Documents in their capacity as directors of the Fund and not in their personal capacity and subject to any Applicable Law, any liability of or indemnity given or to be given by the Sub-Fund, and any power and right conferred on any receiver, attorney, agent and/or delegatee by the Sub-Fund, shall be limited to the extent of the assets of the Sub-Fund, and shall not extend to any personal assets of any of the Directors.
22. Notwithstanding any contrary provision in this Transfer Form, it is hereby agreed and acknowledged that the Manager has assumed all obligations under the Fund Documents in its capacity as the investment manager of the Sub-Fund and not in its personal capacity and subject to any Applicable Law, any liability of or indemnity given or to be given by the Manager, and any power and right conferred on any receiver, attorney, agent and/or delegatee of the Sub-Fund by the Manager, shall be limited to the extent of the assets of the Sub-Fund, and shall not extend to any personal assets of the Manager.
23. Part 4 of this **Appendix I** shall survive the termination or rescission of this Transfer Form.
24. The provisions of Part 4 of this Appendix I shall apply, *mutatis mutandis*, to any notice, certificate or other document which the Board and/or the Manager issues under or pursuant to this Transfer Form, as if expressly set out in such notice, certificate or document.

PART 5: ADDITIONAL DECLARATION FOR NOMINEES

 - (a) it makes each of the representations, warranties, covenants, agreements or confirmations set out in this **Appendix I** (insofar as such representations, warranties, covenants, agreements or confirmations purport to be made by the Transferee or the Transferor (as applicable)) in its personal capacity as the Transferee or the Transferor (as the case may be) and on behalf of the Client, and that such representations, warranties, covenants, agreements or confirmations as provided by it and the Client are true, accurate and complete in all respects;

 - (ii) execute this Transfer Form on the Client's behalf;
- (c) it shall immediately notify the Board and the Manager in writing if it or the Client becomes aware of any circumstance arising after the date of this Transfer Form which would cause any representation, warranty, covenant, agreement or confirmation provided by it and the Client to any of the Fund Entities and Personnel (if the representation, warranty, covenant, agreement or confirmation were repeated with reference to the facts and circumstances then existing) to become untrue, inaccurate or misleading in any respect with respect to it or the Client; and
